**Sub: Expression of Interest- Reg.**

Sir,

The UT Admn is gearing up to face the challenge of unemployment and low employability prospects of local youth. With this objective in mind, the UT Admn has initiated a Skills Development Mission (SDM) for the islands. Its main thrust is on skills development to provide marketable/area specific skills to the unemployed youth of the islands, so as to reduce the mismatch between demand and supply.

For this purpose a State Level Committee has been constituted with major representation of Industry partners. Even though the job market is dynamic and skills in demand may vary from time to time, the committee has recommended/focused the skills development in the under mentioned sectors:

Real estate/Construction	Spoken English
Travel & Tourism	Health Care
Electronics sector	Physiotherapy/masseurs
Media	Clinical Technician
Cargo Management	Retail - Sales Person
Speed boat drivers	Accounting
Life guards	Web designing
Paper bag manufacturing - by recycling	Domestic BPO
	Garment sector

The UT Admn is keen to bring all those Private/Govt. institutions and NGOs who can impart trainings in the above areas, under one umbrella namely the **Skills Development Mission**, who can impart the skills/training in the above areas

You are therefore requested to indicate your expression of interest in the above areas of training for successful launch of the mission in the enclosed form of empanelment.

Encl: A/A

Yours Faithfully
