

INVITING EXPRESSION OF INTEREST FOR ASSISTING IN
SETTING UP OF TERMINAL MARKET COMPLEX IN A&N ISLANDS.

GOI has taken several legislative and administrative measures to bring in comprehensive reforms for strengthening the Agricultural Marketing infrastructure. To give momentum to these reforms for improving the market access to the farmers and better realization of price for the agriculture produce, the GOI is implementing a Plan Scheme under NHM for setting up of Terminal Market Complex in the states.

Under the said scheme, Department of Agriculture, A&N Administration proposes to set up a Terminal Market Complex under Hub and Spoke system in these islands. It is proposed to engage a suitable Financial Institution to conduct feasibility studies, preparation of DPR and assist the Nodal officer of the scheme in bidding process, evaluation, short-listing of private enterprise, entering into agreement etc.

Earlier department had invited expression of interest and received offer from two Institutions. Due to administrative reason the offer could not be considered. Therefore, expression of interest is again invited from the Financials Institutions engaged in this field for the above purpose. Proposal should reach to the Director of Agriculture, A&N Administration, P.O.- Haddo, Pin- 744102, Port Blair, A&N Islands (Telefax:03192-233257,e-mail:diragri@and.nic.in) on or before 25th September, 2008
