

**ANDAMAN AND NICOBAR ADMINISTRATION
DEPARTMENT OF AGRICULTURE**

Right To Information Act – 2005

DISTRIBUTION OF INPUTS TO FARMERS.

The Department of Agriculture since inception has been shouldering the responsibility of procurement and distribution of Agriculture Inputs. All the Agriculture Inputs namely fertilizer, pesticides, and seeds are imported from the mainland and distributed to the farmers through departmental sub-depots located at convenient place in the field. In order that the farmers do not suffer for want of any inputs which may hamper the cultivation, the department has been providing sale depots with in a radius of 5 km. as a principle. All the inputs are procured from the mainland and transported to the main store at different location in North Andaman, Middle, South and other Islands to meet the requirement of Agriculture sub-depots of the area time to time. At present altogether 53 sub-depots are functioning.

The location of the sub-depots and the village and area fed by each sub-depot is enumerated below: -
