

No. 3-83/2005-Vig.

अण्डमान तथा निकोबार प्रशासन

ANDAMAN AND NICOBAR ADMINISTRATION

सचिवालय/SECRETARIAT

Port Blair, dated the 26th October, 2005.

To

**The All Head of Department/offices,
A&N Administration,
Port Blair.**

Sub: Discreet inquiry/surprise check by the Anti-Corruption Unit of the A&N Administration - reg.

Sir,

The concept of vigilance includes the following:-

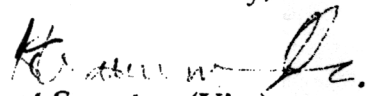

1. Preventive Vigilance.
2. Detective Vigilance.
3. Punitive Vigilance.
4. Post-punitive Vigilance for corrective action.

The Preventive Vigilance includes those steps, which are instrumental in reducing or eliminating corruption from public services and the task of Preventive Vigilance in this Union Territory is assigned to Anti-Corruption Unit of the Administration. This is primarily ensured through surprise checks and periodical inspections and discreet watches.

Therefore, the officers from the AC Unit are required to keep a watch over the activities of various departments. However, recently in the course of a discreet inquiry the officers of AC Unit were obstructed by certain departmental officers which is against the interest of the fair Administration.

It is, therefore, requested that necessary cooperation may please be extended to the officers of Anti-Corruption Unit as and when they visit any department to have a check over the activity of the department so that the AC Unit could function in a proper manner and desired target could be achieved.

Yours faithfully,

Assistant Secretary (Vig.)

Copy to the SP(AC), Anti-Corruption Unit, Port Blair.
