Port Blair, dated the 7<sup>th</sup> March, 2006

CIRCULAR

Instructions have been issued on several occasions to all the heads of departments to ensure participation of their local representatives in the PRI meetings. The Hon'ble Lt.Governor, A & N Islands after his visit to various islands from 9.12.2005 to 11.12.2005 has once again emphasized the need for participation of Govt. officials at the concerned level in the PRI meetings. This would help the officials to be aware of local problems and also advise the PRI office bearers on technical aspects and the provisions of the rules on the subject.

All the heads of departments are therefore once again advised to ensure that their Zonal In-charges/local representatives in their respective areas participate in the PRIs meetings regularly.
