

No. 55-3/2005-PW  
ANDAMAN AND NICOBAR ADMINISTRATION,  
SECRETARIAT.

Port Blair, dated the 24<sup>th</sup> July, 2006.

CIRCULAR

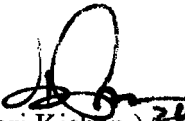

Sub:- Policy guidelines for rotational transfer of Govt., servants to southern islands from Andamans.

Reference is invited to the existing transfer policy formulated by this Administration for tenure posting of employees to the tsunami affected areas of southern group of islands/Little Andaman, on rotational basis, as contained in Admn's Circular of even number dated 12<sup>th</sup> April, 2005 and reviewed vide Circular of even number dated 13<sup>th</sup> June, 2006. It has now been observed that the replacement of higher level officers within six months in pursuance of the above policy causes hindrance in keeping up continuity and tempo of ongoing development/rehabilitation works.

The matter has since been reviewed in the above context and it has been decided that the Group 'A' and Group 'B' (Gazetted) employees of the Administration will be governed by the general transfer policy and would be kept out of the purview of the above mentioned circular fixing the tenure for six months in case of tsunami affected southern group of islands and Little Andaman.

The above instruction shall be followed in letter <sup>and</sup> spirit with immediate effect.

The issues with the approval of the competent Authority.

  
( Hari Kishen ) 24  
Assistant Secretary(Perl)
