Notification

Technical Standards for Interoperability Framework for eGovernance

No. 2(32)/2009-EG II Whereas the Department of Electronics and Information Technology (DeitY), Ministry of Communications and Information Technology, Government of India (GoI) is driving the National e-Governance Plan (NeGP) which seeks to create the Governance and institutional framework for e-Governance in the country to implement a number of Mission Mode Projects at the Centre and States and also to promote the usage of Open Standards for the purpose to avoid any technology lock-ins

AND Whereas Standards in eGovernance are a high priority in order to ensure sharing of information and seamless interoperability of data across eGovernance applications and DeitY, GOI has setup an Institutional Mechanism under NeGP to evolve/adopt Standards for eGovernance

AND WHEREAS an immediate need has been felt to have Technical Standards for various identified domains based on the Policy on Open Standards, which would enable interoperability of applications and seamless sharing of Data

AND Whereas the Competent Authority on Standards has approved the Technical Standards in 47 identified areas

NOW, this Department hereby notifies the use of Technical Standards in these 47 areas w.e.f the date of notification. The Standards can be downloaded from <http://egovstandards.gov.in>. All the Ministries of the GOI and all the State Governments and Union Territories are advised to adopt the notified standards in the design, development, deployment and implementation of all ICT applications
